

**Solve each problem.**

- 1) List all the multiples of 7 from the selection of numbers below:

15 26 31 32 41 42 49 58 66 71

- 2) List all the multiples of 8 from the selection of numbers below:

23 24 30 36 40 43 45 46 48 52

- 3) List all the multiples of 8 from the selection of numbers below:

15 32 45 50 51 52 58 72 79 85

- 4) List all the multiples of 10 from the selection of numbers below:

29 33 35 51 66 70 72 80 89 95

- 5) List all the multiples of 10 from the selection of numbers below:

20 26 44 58 60 64 66 75 87 88

- 6) List all the multiples of 7 from the selection of numbers below:

11 14 17 35 37 50 54 59 63 74

- 7) List all the multiples of 5 from the selection of numbers below:

8 21 29 30 31 38 40 49 50 54

- 8) List all the multiples of 9 from the selection of numbers below:

18 27 39 42 55 60 63 64 87 96

- 9) List all the multiples of 9 from the selection of numbers below:

11 27 32 44 54 65 67 71 74 98

- 10) List all the multiples of 9 from the selection of numbers below:

18 19 29 47 50 71 73 80 81 84

Answers

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

9. _____

10. _____

**Solve each problem.**

- 1) List all the multiples of 7 from the selection of numbers below:

15 26 31 32 41 42 49 58 66 71

Answers

42, 49

- 2) List all the multiples of 8 from the selection of numbers below:

23 24 30 36 40 43 45 46 48 52

24, 40, 48

- 3) List all the multiples of 8 from the selection of numbers below:

15 32 45 50 51 52 58 72 79 85

32, 72

- 4) List all the multiples of 10 from the selection of numbers below:

29 33 35 51 66 70 72 80 89 95

70, 80

- 5) List all the multiples of 10 from the selection of numbers below:

20 26 44 58 60 64 66 75 87 88

20, 60

- 6) List all the multiples of 7 from the selection of numbers below:

11 14 17 35 37 50 54 59 63 74

14, 35, 63

- 7) List all the multiples of 5 from the selection of numbers below:

8 21 29 30 31 38 40 49 50 54

30, 40, 50

- 8) List all the multiples of 9 from the selection of numbers below:

18 27 39 42 55 60 63 64 87 96

18, 27, 63

- 9) List all the multiples of 9 from the selection of numbers below:

11 27 32 44 54 65 67 71 74 98

27, 54

- 10) List all the multiples of 9 from the selection of numbers below:

18 19 29 47 50 71 73 80 81 84

18, 81
