

Use the numberlines to round each number to the nearest 100.

Ex)

48,453

48,400

48,500

Ex.

48,500

1)

3,190

2)

6,139

3)

935

4)

782

5)

530

6)

3,728

7)

567

8)

64,703

9)

73,096

10)

38,822
